## Calibration & Repair Services

### A2LA Accredited ISO 17025 Calibration Service

At MSI Viking, we're committed to delivering top quality products and service without sacrificing convenience. Ordering a new gage with ISO 17025 Calibration is fast and easy: just add calibration to your order and your gage will arrive ready to go. Thanks to our extensive Accreditation Scope (available online), we provide comprehensive service for everything we sell – even if you didn't buy it from us!

### Factory Authorized & Trained Repair of all major brands:

Heidenhain • Hexagon/TESA • Fowler • Mitutoyo • Mahr • LS Starrett  
Solartron • Tohnichi • Mountz • Snap-On/CDI • INNOVATEST • and more!
